IN MEMORIAM

The Town of Sandown dedicates this Town Report to a man who gave much of his time and his talent to this community.

Del served as President of the Old Meeting House Association for many years, as a Planning Board member for 15 years, and in 1956 he was General Chairman of the 200th Anniversary of our Town.

A whole generation of young men from Sandown and from the surrounding towns will remember him with love and respect as a Boy Scout Leader of Troop 268 and as a Neighborhood Commissioner for the Daniel Webster Council.

In grateful tribute to a friend whom we shall all miss, we respectfully dedicate this Report to the memory of - - -

LIBRARIAN'S REPORT

Sandown Public Library experienced an increase in circulation during 1970 as more residents are becoming aware of the excellent collection of new and standard reading materials available, and the services offered by the local and state libraries.

The new tile floor has added greatly to the appearance of the room. New furnishings include a book cart and folding table needed for work space. Friends of the Library purchased new venetian blinds and a Memory Shelf, in Memory of Miss Lena M. Kelley, was given by her sisters, Mrs. C. Burton French and Mrs. Lillian Knights.

The \$100.00 State Grant-in-aid for reference materials was received again this year, and catalog service was expanded recently to include all books published during the current and preceding year. We have continued to take advantage of the fine service offered by the State Bookmobile unit and ordered books from the State Library in Concord upon request of Library Patrons.

We find our space problems becoming increasingly difficult to cope with and have had to store some books donated to the Library by the family of the late Mrs. Howard Shaw. These and some other books now on the shelves will have to be placed in storage to make room for books in current demand until such time as more space is available.

Friends of the Library, under leadership of Mrs. C. Burton French, had an active year which was most beneficial to our Library. Coffee hours, food sale and sale of Zip Code books and pens have aided the Friends to accomplish their projects. A donation to Friends of the Library from the PTG for children's books was greatly appreciated. During National Book Week, elementary school children visited the library in small groups over a period of two days, and a Hobby and Talent Night was held with about forty participants. Children's Book Week was observed, with the Friends and some parents entertaining the children with a special program portraying book characters and two films were shown by Mrs. Rachel Sanborn, District Library Consultant for the N. H. State Library. Children volunteered to clean and dust Library shelves and the Friends provided volunteer Librarian service on Thursday afternoons from 3:30 to 5:00 P.M.

A very special thanks is extended to Miss Mildred Hatch for the many hours which she spent as volunteer Librarian on Thursday afternoons.

Anyone who wishes to place a book or books on the new Memory Shelf in the new bookcase is invited to do so.

Many thanks to all who worked to make the past year a pleasant and successful one for the Library. Also, thanks to our fine Trustees who spend many hours working for your Library.

Visit your Library when the opportunity arrives and partake of the pleasure of our good book and record collections available to you.

FIRE DEPARTMENT REPORT

The year 1970 was another year of low fire loss to the residents of Sandown and to the non-resident property owners, considering that 1970 was a high fire loss year throughout the state and country.

New Hampshire has experienced one of its most dreadful years of loss of life by fire, a record that should remind people that it could happen in their homes; thoughtful planning and inspection of their homes will reduce the chance of it happening to them.

I would like, at this time, to remind the residents that all oil burning equipment (heating units, furnaces and oil fired water heaters) have to be inspected before they are used. This is in compliance with State Law and is done by the Fire Department. A certificate will be issued to those passing inspection. Anyone who does not have an oil-burning equipment certificate for their units are encouraged to obtain same.

The Fire Department participated with the Sandown School in Fire Prevention Week with material purchased from the National Fire Prevention Association and a display was set up at the Center Fire house.

There have been five (5) dry hydrants installed in Town this year, one at each of the three fire water holes and two (2) at Angle Pond, and it is hoped that more can be installed in 1971.

There were two building fires in 1970:

28, January - Showell Pond, Crockett Place, Fire was unreported, total loss.

30, June - Showell Pond, Meninno Place. Two men suffered burns on hands.

The portable heater purchased this year has been put to use at the Angle Pond fire house this fall, 22-28 December, as the gas company did not respond very well to our calls for repair service. Without the heater, we would have to drain the water tanks on the Engines; this is not a good practice. The two new nozzles, 2-1/2" vary-stream, fog types, have been installed on the Engines.

I would again like to thank all who have helped make this a working department.

Respectfully submitted,

GEORGE NEWTON
Chief, Fire Dept.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

The fire season of 1970 was not a quiet one in this area, on the contrary, it was a very busy time with some towns reporting a greater number of fires than in past years. This record is not good.

Both state and towns are striving to meet this challenge. Results show that we are not doing enough, we must do more in the matter of fire prevention education, a more active inspection program and a more prompt, complete investigation of fires where definite cause is not known with court action where the need is indicated.

We must insist that minor children are given needed supervision, this is a parent's responsibility.

Your Warden and District Chief stand ready to help in this work.

Our gratitude to all who have helped in forest fire prevention and suppression this past year and we look forward to this continued help in our effort to improve our good prompt detection system and fast suppression action. This, coupled with a good prevention program, will improve our fire record.

Follow these simple suggestions to help:

Set a good example for others by observing fire permit laws and regulations; take your debris and waste to the town dump; keep matches away from children and be sure your smoking material is dead out when discarded.

Number of fires reported and acres burned - 1970 season:

STATE	484 fires	244 acres
DISTRICT	189	170
TOWN	4	1

Three of these fires were burning without permits, one was unknown.

District Fire Chief

POLICE DEPARTMENT REPORT

The Police Department had a good year in 1970. We wish to thank the people of Sandown for their cooperation and help in reporting the presence of strange cars and persons in their neighborhood.

The Police Department has done a very good job working under the conditions that exist in a part-time department where the men have to work at full-time jobs elsewhere.

I, Chief Tarbox, wish to thank the men of the Police Department for their willing cooperation and work.

CHESTER O. TARBOX

PLANNING BOARD REPORT

In 1970, your Planning Board expended a great deal of time, effort and thought in revising the Zoning and Building Regulations for our Town. We researched the ordinances of neighboring towns, asked and received help from the State Planning and Zoning Commission, and finally arrived at the amendments which have been presented to you at the public hearings. We feel that these proposed changes provide proper protection for our Town and will insure its orderly growth and development. We sincerely hope that you will support these amendments at the polls in March.

An amendment to the ordinances, pertaining to Mobile Homes, was presented by petition, and will appear on the ballot also. However, we on the Planning Board, as well as the Board of Selectmen, feel that this petition amendment, if adopted, could result in an unbalanced growth of Mobile Homes versus Conventional Homes, causing a diminished tax-base growth. Such a tax base could result in much higher tax bills for all our taxpayers, those living in mobile homes as well as those who dwell in conventional homes.

Most Bankers and Real Estate men agree that uncontrolled mobile home placement results in greatly reduced property values, even that of the land on which mobile homes are situated. While every other Town in the Northeast is strictly controlling Mobile Homes, Sandown can ill-afford to invite them in on a wholesale basis.

The Planning Board recommends most strongly that this amendment, by petition, be defeated.

During 1970, Allen D. Love, a long term Planning Board member, left the Board; his presence has been missed and the Planning Board and the Town are grateful for his many years of service.

The Board has, as of this writing, also lost the services of our Clerk, Delbert L. Shepard. His knowledgeable help will be sorely missed.

Respectfully submitted,

MALCOLM G. MacGREGOR
